Serie di sanitari, lavabi d'arredo, mobili da bagno, linea Age e piatti doccia, questo è un assortimento tra i più ampi e completi del settore. Mood Ceramic è stata fondata nel 2020 in provincia di Viterbo nel distretto industriale di Civita Castellana, una realtà consolidata nel settore della ceramica sanitaria e dell'arredo bagno.

Frutto di una lunga storia generazionale che ha visto di padre in figlio, di figlio in figlia trasmettere l'esperienza e la passione per questo componente speciale... la ceramica.

Impegno, dedizione e soddisfazione del cliente sono da sempre i loro cardini guida, formula vincente che ancora oggi fa la differenza.

A range of sanitary fixtures, decorative sinks, bathroom furniture, the Age line, and shower trays; this is one of the most extensive and comprehensive assortments in the sector. Mood Ceramic was founded in 2020 in the province of Viterbo, in the industrial district of Civita Castellana, a well-established presence in the sector of sanitary ceramics and bathroom furnishings.

The result of a long generational history that has seen the experience and passion for this special component... ceramics passed on from father to son, from son to daughter. Commitment, dedication and customer satisfaction have always been their guiding principles, a winning formula that still makes the difference today.

Tutte le nostre collezioni si riuniscono per offrire un concetto globale del bagno attraverso la combinazione di materiali in tutti i prodotti, ottenendo un mondo di personalizzazioni infinite.

LA PROFESSIONALITÀ è il valore che permette a Mood di fornire ad ogni proprio Cliente la soluzione che meglio si adatta alle proprie esigenze.

LA RESPONSABILITÀ è quella di chi sa che stoccaggio e trasporto sono un anello importante

all'interno della catena produttiva e distributiva dei propri Clienti; la consapevolezza che il trasporto è una fase estremamente delicata e non un semplice dettaglio organizzativo.

COSA TRASPORTIAMO? Servizi su misura, con soluzioni personalizzate per la gestione dei

tempi e dei metodi di consegna, sono il format di Mood Ceramic. Il trasporto e la logistica in tutta Italia sono studiati per minimizzare le attività di carico e scarico delle merci, dal momento del prelievo fino alla consegna, grazie alla struttura organizzativa specializzata nel servizio industriale del b2b.

All our collections come together to offer a global bathroom concept through the combination of materials in all products, resulting in a world of endless customizations.

PROFESSIONALISM is the value that allows Mood to provide each of its customers with the solution that best suits their needs.

RESPONSIBILITY is that of those who know that storage and transport are an important link within the production and distribution chain

of their Customers; the awareness that transport is an extremely delicate phase and not a simple organizational detail.

WHAT DO WE TRANSPORT?

Tailor-made services, with personalized solutions for

managing delivery times and methods, are the Mood Ceramic format. Transport and logistics throughout Italy are designed to minimize the loading and unloading activities of goods, from the moment of collection to delivery, thanks to the organizational structure specialized in the industrial B2B service.

Apportate una ventata di lusso al vostro bagno con questo lavabo da appoggio in ceramica bianca dalle linee moderne ed essenziali. Da appoggiare su una mensola o su un mobile da bagno con superficie da appoggio.

Bring a touch of luxury to your bathroom with this white ceramic countertop basin featuring modern and essential lines. It can be placed on a shelf or on a bathroom unit with a countertop surface.

Questi due lavabi in ceramica bianca sono progettati per l'installazione da appoggio, realizzati nella speciale forma ovale con bordi sottili che rendono la capienza interna superiore rispetto ai lavabi di pari larghezza. Sono dotati di foro per la rubinetteria e di piccolo piano di appoggio. Ideale per bagni moderni.

These two white ceramic washbasins are designed for countertop installation, made in the special oval shape with thin edges which make the internal capacity greater than washbasins of the same width. They are equipped with a hole for the tap and a small support surface. Ideal for modern bathrooms.

Con entrambi i lavabi soprapiano e i lavabi sottopiano hai la possibilità di aggiungere un mobile contenitore che ti permetta di avere a portata di mano tutto quello che ti serve per la tua igiene personale e per la tua routine mattutina e serale. I lavabi ad incasso arredano il tuo bagno in modo completo e ti permettono di scegliere lo stile più adatto ai tuoi gusti.

With both above-counter and under-counter basins, you have the option to add a storage unit that allows you to have everything you need for your personal hygiene and your morning and evening routine at your fingertips. Recessed basins complete the furnishing of your bathroom and allow you to choose the style that suits your tastes the most.

Le staffe nascoste permettono il montaggio invisibile della mensola alla parete, lasciando un design di linee semplici e pulite.

MOBILITÀ
AGEVOLATA

La volontà di creare un sanitario alto 50 cm nasce dall'esigenza di offrire un prodotto che sia accessibile a tutti e permetta di abbattere le barriere architettoniche imposte dai tradizionali standard produttivi.

Questi sanitari in ceramica pongono l'attenzione sia su persone molto alte, garantendo una postura comoda e confortevole, sia a disabili o anziani favorendo ed agevolando la mobilità grazie alla seduta più alta.

Il sedile slim in termoindurente abbinato riprende i lineamenti sinuosi e moderni del vaso filo parete proponendo un oggetto dalla massima utilità senza trascurare lo stile ed il design.

RIMLESS
EASY CLEANING
FACILITATED MOBILITY

The desire to create a 50 cm high sanitary ware arises from the need to offer a product that is accessible to all and allows to break down the architectural barriers imposed by traditional production standards. These ceramic sanitary fixtures focus both on very tall people, ensuring a comfortable and comfortable posture, and on the disabled or the elderly, favoring and facilitating mobility thanks to the higher seat. The slim seat in matching thermosetting material takes up the sinuous and modern features of the flush-to-wall toilet, proposing an object of massive utility without neglecting style and design.

Il bacino del lavabo dalla linea simmetrica esalta, grazie all'installazione su colonna, l'equilibrio naturale dell'insieme. Un'unione tra le parti e materiali diversi che formano una fusione affascinante. Con l'aumento dell'altezza media delle persone anche l'altezza della colonna è stata aumentata.

The basin of the sink, with its symmetrical lines, enhances the natural balance of the whole, thanks to its installation on a pedestal. It is a union of different parts and materials that form a fascinating fusion. With the increase in the average height of people, the height of the pedestal has also been increased.

Condizioni Generali di Vendita

1) Consegna: la merce è venduta franco ns. stabilimento. La MOOD CERAMIC si riserva la facoltà di evadere un ordine in più consegne a secondo delle effettive disponibilità dei prodotti presso il proprio magazzino.

2) Imballaggi: le caratteristiche dell'imballaggio saranno esclusivamente a scelta della MOOD CERAMIC, che ne farà oggetto di addebito in fattura al Cliente, per un importo pari al 3%.

3) Foto, dimensioni e pesi: le foto, le dimensioni ed i pesi riportati nel presente listino sono da intendersi a titolo puramente indicativo.

4) Termini di consegna: i termini di consegna e spedizione hanno valore indicativo in quanto, anche se il programma di consegne sarà improntato tenendo conto delle richieste del Cliente, la MOOD CERAMIC si riserva di apportare modifiche alle sequenze delle consegne stesse rispetto ai programmi concordati.

5) Pagamenti: i termini di pagamento si intendono tassativi e decorrono dalla data di fatturazione. La MOOD CERAMIC si riserva la facoltà di sospendere od annullare forniture qualora i pagamenti non siano effettuati nei termini pattuiti. Ogni eventuale contestazione non dà diritto al Cliente di sospendere i pagamenti in corso.

6) Interessi di mora: l'inosservanza dei termini di pagamento stabiliti determinerà l'addebito al Cliente degli interessi di mora al tasso ufficiale di sconto aumentato di 5 punti.

7) Caratteristiche tecniche: la MOOD CERAMIC si riserva la facoltà, in qualsiasi momento, di modificare le caratteristiche tecniche dei propri prodotti e accessori anche senza preavviso, nonché di modificare o sopprimere modelli.

8) Reclami: tutte le forniture effettuate si intendono accettate trascorsi, senza alcun reclamo, 8 giorni dal ricevimento della merce. Eventuali reclami dovranno essere inoltrati, entro il suddetto termine, a mezzo raccomandata direttamente alla Sede della MOOD CERAMIC.

9) Foro competente: qualsiasi controversia sarà di esclusiva competenza del foro di Viterbo.

General Sales Terms

1) Delivery: goods are sold ex factory. MOOD CERAMIC reserves the right to carry out orders in more than one shipment depending on stock availability.

2) Packing: packing will be chosen by MOOD CERAMIC and will be invoiced to clients, for an amount equal to 3%.

3) Pictures, dimensions and weights: pictures, dimensions and weights as indicated in the present price-list are to be considered as approximate ones.

4) Delivery terms: delivery and shipment terms are approximate since, even though shipping schedules are organised to meet clients' needs, MOOD CERAMIC reserves the right to modify delivery sequences regardless of agreed terms.

5) Payments: payment terms must be strictly respected starting from invoice date. MOOD CERAMIC reserves the right to stop or cancel shipments in case of clients' failure to pay within agreed terms. Any controversy does not give clients the right to stop pending payments.

6) Arrears interest: in case the client fails to settle payments within agreed terms, the client will be charged arrears interest at the current discount rate increased by 5 points.

7) Technical features: at any time, MOOD CERAMIC reserves the right to modify technical features of its products and accessories, without any obligation to preventive communication, as well as modify or cancel any model.

8) Complaints: any consignment will be considered as accepted after 8 days upon receipt of goods. After that, complaints will not be taken into consideration. Complaints must be forwarded within the a.m. term by registered mail directly to MOOD CERAMIC

9) Relevant Court: any controversy falls within the competence of the Viterbo Court.
